

SHIPPING / DELIVERY

We only accept orders for delivery to addresses and P.O. boxes in the continental United States, Alaska, Hawaii and the District of Columbia. Please note that RèNao Global does not ship to APO/FPO addresses or hotels. When estimating package delivery time, please allow time for address verification and order processing. You will be asked to select a shipping method as a part of the ordering process. Shipping costs depend on several factors, including your location and the delivery service chosen. Free standard shipping will be provided to consumers in the United States that purchase three or more boxes of RèNao Global products ("Products") in one order, although this is subject to change at any time. Shipping costs for all other orders, including those that request expedited shipping, will be provided at checkout. After RèNao Global ships your order, you will receive a Shipping Confirmation. The Shipping Confirmation will include the shipping method for your package and a tracking number.
